

\$\$\$\$\$ Prices \$\$\$\$\$

Prices for the bus varies depending on the area you live in. The prices vary as it is dependent on the distance the bus needs to travel to reach its destination to allow for fuel costs and travelling time. The bus is charged by the hour, with an introductory price for the first hour, and a lower price that stays constant for any hours after that.

Requirements for the hiring of the bus is access to a power supply and a large area that is accessible for a bus, eg: in a driveway or verge, away from traffic.

## The Features

## What is the Amusement Bus.....?

The amusement bus is a fun and exciting bus filled with an assortment of arcade games ranging from flight to story to racing games. The bus is available for children's parties, fates, fairs and family/social functions. It's a great way to keep your children entertained, and they thoroughly enjoy the time they spend in the bus. It caters for children from 5 years up. It is even quite common that teenagers and adults enjoy playing the range of games availed in the bus. For the younger children, there is a cargo net leading on to a slide. However parental supervision is required for younger children. Below is a list of games currently in the bus; (This list is subject to change without prior notice.)

- ) Enduro Racer
- ) Crusin' USA
- ) Police trainer
- ) Golden Axe
- ) Burnin' Fight
- ) Heavy Barrel
- ) Carrier Air Wing
